Re: Nord du Lac  
Covington, St. Tammany Parish, Louisiana

Dear Ms. McCain:

This is in response to your letter dated July 18, 2011, concerning the above-referenced project. The project is located in an area considered by our office to be of moderate probability for archaeological deposits. Due to its location, our office is recommending that a Phase I cultural resources survey be conducted prior to construction. I have enclosed a list of contracting archaeologists for your reference.

If you have any questions regarding these comments, please contact Rachel Watson in the Division of Archaeology at (225) 342-8165 or [Rwatson@crt.la.gov](mailto:Rwatson@crt.la.gov).

Sincerely,

A handwritten signature in blue ink that reads "Pam Breau".
