

The main map is an aerial photograph of the Terre Haute Development area, which is highlighted with a purple overlay. The development is a large, rectangular area. To the west of the development, there is a small industrial or utility site labeled 'HAUTE'. A road, likely Highway 61, runs horizontally across the bottom of the map. To the east of the development, there are several smaller buildings and a road. The map includes labels for various power lines: '230 kV' and '115 kV' are shown in green at the top and bottom; 'Single Phase, 34.5 kV' is shown in yellow on the right; '2 Phase, 34.5 kV' is shown in blue on the right; and '3 Phase, 34.5 kV' is shown in red at the bottom. A scale bar in the bottom left corner indicates distances of 0, 1, and 2 miles. An inset map in the top left corner shows the regional context, with a purple outline labeled 'Site' indicating the location of the development within a larger area. The inset map also shows major roads and power lines, with labels for 'DUTCH BAYOU', 'TEZCUCO', 'FRISCO', 'BAYSIDE', and 'BELLE POINT'.

-  Energy Substation
