

NATIONAL PIPELINE MAPPING SYSTEM

Legend

— Gas Transmission Pipelines

Exhibit R2: Natural Gas Transmission Infrastructure - Millhaven Site

Pipelines depicted on this map represent gas transmission and hazardous liquid lines only. Gas gathering and gas distribution systems are not represented.

This map should never be used as a substitute for contacting a one-call center prior to excavation activities. Please call 811 before any digging occurs.

Questions regarding this map or its contents can be directed to npms-nr@mbakercorp.com.
