Re: City of Bunkie Industrial Park
PAE Job No. 8819
Avoyelles Parish, Louisiana

Dear Mr. David:

This is in response to your letter dated May 24, 2011, regarding the above-referenced project. This property is located in an area considered by our office to be of moderate to high probability for archaeological deposits. Therefore, we are recommending that a Phase I archaeological survey be conducted prior to any ground disturbing activities. I have enclosed a list of contracting archaeologists for your reference.

If you have any questions concerning these comments, please contact Chip McGimsey in the Division of Archaeology at (225) 342-4598.

Sincerely,

A handwritten signature in blue ink that reads "Pam Breaux".

Pam Breaux
