 Importance: High  
 Attachments: aerial and map.docx; double aerial.docx; Survey\_Hammond LA.pdf

Rachel,

I have attached information on a site in Hammond, LA that we are trying to get in the LED Certified Site Database. I have aerials, a map and a survey of the property on Pride Drive that we are working on. I need a State Historical Preservation Officer letter regarding the presence of historical or cultural artifacts on the site.

If you need any other information, please contact me. This is the last piece of information that I need.

Thanks so much in advance for you help.
