Dear Mr. Herrington:

This is in response to your letter received March 25, 2011, concerning the above-referenced report. Overall, the report meets our standards. We concur with your findings that 16CD330 and 16CD331 are not eligible for listing to the National Register of Historic Places (NRHP). Therefore, this project will not affect any known historic properties and we have no objection to its implementation.

Per our report standards, please include a curation statement concerning the storage of both artifact and field notes. We cannot finalize the report until we receive the final site forms for 16CD330 and 16CD331. We look forward to receiving two copies of the final report and a pdf version. If you have any questions, please contact Rachel Watson in the Division of Archaeology at (225) 342-8165.

Sincerely,

Pam Breaux
State Historic Preservation Officer
