General Notes:

1. The information presented herein was obtained from various resources and should be considered preliminary.
2. No attempt has been made by Duplantis Design Group, PC to verify site boundary, title, actual legal ownership, deed restrictions, servitudes, easements, or other burdens on the property.
3. The utility lines shown are an approximate representation only and may have been offset for depiction purposes. Exact field location has not been determined by survey.
4. Proposed natural gas upgrade shown is for representational purposes only, depicting the intent of the cost estimate provided with this exhibit to meet LED minimum requirements, and is subject to revision.
