Dear Bruce:

Pleas be advised that CLECO Power, LLC does have existing 3 phase electrical facilities located in the vicinity of the Oschner Blvd. extension boarding the southern point of Interstate 12 and west of the current Normandy Oaks Development. CLECO currently has 34.5 kv three phase service available to provide service to the 305 acres. CLECO could serve a metering point within one or two weeks of a request for service based on actual service point location.

Should you have any questions, please do not hesitate to call me.

Sincerely,

John R. Murchison
