

# **Exhibit T: Fire Protection Rating Additional Notes Chennault Site 2-2A**

**Note 1** – The Chennault Southwest Site consists of two parcels (Parcel 1 and Parcel 2).

**Note 1a** - Parcel 1 is located within the Lake Charles Municipal City Limits.

**Note 1b** - Parcel 2 is located within Calcasieu Parish, Ward 3, but not located within Lake Charles City Limits.

**Note 2** – Fire Service is available at the Chennault Southwest Site.

**Note 2a** – Both Parcel 1 and Parcel 2 Fire Service is provided by the City of Lake Charles Fire Department and served from Fire Station #5 located at 2702 General Doolittle Avenue, which is 2.25 miles from the site.

**Note 2b** – Parcel 1 is within City Limits and has a Fire Rating of Class 2.

**Note 2c** – Parcel 2 is located outside of City Limits and has a Fire Rating of Class 5.

**Note 2d** – The City of Lake Charles Fire Department is only responsible for fires related to buildings or other structures on the Chennault Southwest Site. This does not include aircraft.

**Note 3** – Additional Fire Service at The Chennault Southwest Site is provided by the Chennault International Airport Authority.

**Note 3a** – Due to the proximity of the Chennault Southwest Site to the Chennault International Airport runway, should a plane or other aircraft crash, land, or otherwise cause a fire on either Parcel 1 or Parcel 2, Chennault International Airport Authority will be responsible for providing the Fire Service.

**Note 3b** – The Chennault International Airport Authority Fire Station has a Fire Rating of Class 2, as determined by the Lake Charles Fire Department rating system.
