Red River Parish Port Site LA SHPO Letter of Site Recommendation

Re: Draft Report
La Division of Archaeology Report No. 22-7508
Phase I Cultural Resources Survey for the Proposed Red River Parish Port Site, Red River Parish, Louisiana

Dear Jon Glass:

We acknowledge receipt of your letter dated 15 March 2024 and one copy of the above referenced report. The submittal is considered Due Diligence. Our response is for preliminary, informational purposes only. The opinion stated below could change once the responsible federal and/or state agency initiates consultation with our Office and provides their determination of effects.

The submittal of this information is not a substitution for consultation under the National Historic Preservation Act and the National Environmental Policy Act.

We have completed our review of this report based on the information submitted and have the following comments to offer:

In our Office's opinion, the portions of sites 16RR360 and 16RR362 within the APE are not eligible. We are also of the opinion that site 16RR361 needs further assessment to determine eligibility. The Divisions of Archaeology and Historic Preservation look forward to advising on the appropriate strategies for assessing this site.

We are accepting the report as final; no further submissions are necessary. If you have any questions, please contact Chip McGimsey at cmcgimsey@crt.la.gov or 225-219-4598.

Sincerely,

Kristin Sanders
State Historic Preservation Officer
