SERVITUDE

For and in consideration of 0 dollars (\$ 0) and other good and valuable consideration, the adequacy and receipt of which is hereby acknowledged, the undersigned owner(s) of the premises described below, hereinafter referred to as Grantor, do(es) hereby grant to BELLSOUTH TELECOMMUNICATIONS, INC., a Georgia corporation, its licensees, agents, successors, assigns, and allied and associated companies, hereinafter referred to as Grantee, a servitude to construct, operate, maintain, add, and/or remove such systems of communications, facilities, stand by generators and associated fuel supply systems as a means of providing uninterrupted service during commercial power outages, or related services as the Grantee may from time to time require upon, over, and under a portion of the lands described in Deed Book 37, 2728, page 76, 122, Calcasieu Parish, Louisiana Records, and to the fullest extent the Grantor has the power to grant, upon, over, along, and under the roads, streets, or highways adjoining or through said property. The said servitude is more particularly described as follows:

All that tract or parcel of land lying in Section 11, Township 10-South, Range 8-W, Louisiana Meridian, Calcasieu Parish, State of Louisiana, consisting of a (strip) (percent) of land See attached Bell south Exhibit A
A 10' x 1500' easement

The following rights are also granted: the right consistent with law, to allow any other person, firm, or corporation to attach wires or lay cable or conduit or other appurtenances upon, over, and under said servitude for communications or electric power transmission or distribution; ingress to and egress from said servitude at all times; the right, but not the obligation, to clear the servitude and keep it cleared of all trees, undergrowth, or other obstructions; the right, but not the obligation, to trim and cut and keep trimmed and cut all dead, weak, leaning, or dangerous trees or limbs outside the servitude which might interfere with or fall upon the lines or systems of communication or power transmission or distribution; the right to relocate said facilities, systems of communications, or related services on said lands to conform to any future highway relocation, widening, or improvements; the right to test and maintain generators and associated equipment; and the right to allow any other person, firm, or corporation to provide for fuel/energy distribution to equipment placed on the site.

To have and to hold the above granted servitude unto BellSouth Telecommunications, Inc., its licensees, agents, successors, assigns, and allied and associated companies forever and in perpetuity.

Grantor warrants that Grantor is the true owner of record of the above described land on which the aforesaid servitude is granted.
