Re: 200 Acre LED site in West Baton Rouge Parish

Dear Mr. Cavanaugh:

This is in response to your letter regarding the above-referenced project. Due to the size of the proposed project and its geographic location our office is requesting that a Phase I archaeological survey be conducted prior to construction.

I have attached a list of contracting archaeologists for your reference. If you have any questions concerning these comments, please contact Rachel Watson in the Division of Archaeology at (225) 342-8165.

Sincerely,

A handwritten signature in blue ink that reads "Pam Breux".
