GENERAL NOTES:
1. No attempt has been made by CSRS, Inc. to verify title, actual legal ownership, deed restrictions, servitudes, easements, or other burdens on the property, other than that furnished by the client or his representative.
2. CSRS did not conduct title work review. Depicted exhibit is based on Ouachita Parish Clerk of Court Recordings researched from March 15, 1923 to September 22, 2003 by the City of West Monroe.
3. This is not a property boundary survey and is not intended to meet the Louisiana standards of practice for property boundary surveys. Bearings and distances of tracts were obtained from document referenced above.
4. The coordinate system used is NAD83 Louisiana State Plane North (US feet). Coordinates were derived by overlaying the boundary on an aerial photograph and are within 100' of true location.
